A Note to Readers

For the first time in its history the AABP will publish two issues of the *Proceedings* in one year. This issue of the *Proceedings* contains papers presented at the inaugural AABP New Grad Conference held in February of 2018. The second *Proceedings* this year will be similar to the ones published for the past 50 years, the *Proceedings* of the AABP Annual Conference, which will be held in Phoenix in September of 2018.
