
Created and maintained by the staff of the Senate Special Committee on Aging, this material (13.3 lin. ft.) represents a broad range of topics, including health care, social security and pension plans to name a few. While a portion of the files (2.1 lin. ft.) document the committee’s general office activity and business, such as meetings, speeches, handbooks, VIP correspondence and committee accomplishments, other files relate to specific pieces of legislation, including the Children’s Health Access and Prevention Act of 1990 (CHAP), the Omnibus Budget Reconciliation Act of 1988, the Medicaid Incentives Reform Act (MIRA) and the Social Security Notch Act of 1989.
