FEMALE CUBAN AMAZON, Hatched June of 2006. Has not been setup with a male and is not a pet. I handfed this one and once weaned never touched again. CBW permit needed unless you live in Florida. $875, platinumaviary@aol.com or 352-206-3491, Denis

GOLIATH BLACK PALM COCKATOO Male Hatched 11/1989 at ABRC. Nice bird that loves women and hates men. I have all of the history on this bird from a baby up until now. The main problem with this bird is that it is a feather plucker and he will let most of his feathers grow back in and then for no reason he will slowly pull everything back out. He has plenty of nuts, Hagen and Zupreem pellets. No sunflower seed since we have owned him. He has been in our care since spring of 2007. Priced right for a Goliath at $8,000, plus shipping. He has been seen in the past by Susan Clubb and I have all of her medical records for him. platinumaviary@aol.com or 352-206-3491, Denis

BLUE-THROATED MACAW PAIR, Hatched at Last Chance Farms and not related. One is a May 2006 hatch and the other is a June 2006 hatch. One of these two is on the current cover of the AFA Journal. Both in great feathering and very strongly bonded. I hand fed these two and then put them together before being weaned and have not tried to touch them since so that they would be bonded with each other. $2,200 for the pair Sexing certificates included. platinumaviary@aol.com or 352-206-3491, Denis

ONE PAIR OF GREENWING MACAWS. This pair is bonded and have not been set up yet for breeding. The male is a 2003 hatch and the female is a 2000 hatch. Large birds that I hand fed when they were babies years ago. Located north of Tampa and these birds are used to being outdoors. Priced right at $2,600, platinumaviary@aol.com or 352-206-3491, Denis
