

## NEW PRODUCTS

**Medical Diagnostic Services, Inc.**  
introduces two new products

### PROBE-LITE™

An economical, Flexible Diagnostic Light with fiber optic brightness is now available from MDS Incorporated.

The Probe-Lite™ 1/8" dia. shaft may be bent to any desirable angle and there is a REPLACEABLE pre-focused bulb mounted in its tip. The high impact plastic casing can be extended to any desirable length. A clip-on magnet, heavy duty "illuminated" pick-up magnet and 3/8" dental type mirror make this unique diagnostic tool versatile.

Powered by AA size REPLACEABLE batteries, the complete unit weighs less than three ounces.

### BORESCOPE

An Economical, Completely Portable, Focusing BORESCOPE has been developed by MDS, Inc.

Sharp, clear undistorted magnified mirror images of inspection areas are provided with a series of optical side wall probes. (OD's are 1/8" or 7/32" — Focusing from 0 to infinity!)

A variable light control on the lightweight "C" cell size power handle assures the user of maximum illumination in darkened cavities.

This precision perfect medical instrument is now being offered for under \$400.00!

For further information regarding these and other economical diagnostic products, contact:
